Screening & Candidate Shortlisting

## Verified Evidence Table

---

Cross-check of every AI-extracted evidence entry against the original source documents. Each entry is confirmed, corrected, or removed with a verification note.

### ABOUT THIS DOCUMENT

This is a **sample** deliverable from the **Screening & Candidate Shortlisting** workflow (HR03) in AGASI AiOS. It shows the expected structure and tone. All names, numbers, and facts are **fictional**.

# Verified Evidence Table — Senior Data & AI Consultant

Cross-check of every AI-extracted evidence entry against the original candidate resumes and screening notes. 32 entries reviewed across 4 candidates and 8 criteria.

<b>32</b> ENTRIES REVIEWED	<b>17</b> CONFIRMED	<b>15</b> CORRECTED / REMOVED
-------------------------------	------------------------	----------------------------------

Candidate	Criterion	Status	Note
Candidate A	GenAI / LLM Deployment	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate A	Cloud Platform Expertise	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate A	Programming	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate A	Certifications	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate A	Industry Experience	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate A	Project Leadership	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate A	Stakeholder Management	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate A	Adaptability	REMOVED	The quoted text regarding 4 weeks notice is not found anywhere in the provided resume document.
Candidate B	GenAI / LLM Deployment	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate B	Cloud Platform Expertise	REMOVED	The screening notes text about AWS and Azure self-study is not present in the provided resume document.
Candidate B	Programming	REMOVED	The screening notes text describing Python depth and technical practitioner status is not present in the provided resume document.
Candidate B	Certifications	<b>CORRECTED</b>	The status should be "Strong" instead of "No Evidence" because the certifications are explicitly stated in the resume.
Candidate B	Industry Experience	REMOVED	The screening notes text regarding product-side background is not present in the provided resume document.
Candidate B	Project Leadership	REMOVED	The screening notes text regarding client relationship management is not present in the provided resume document.
Candidate B	Stakeholder Management	REMOVED	The screening notes text regarding C-suite presentation is not present in the provided resume document.
Candidate B	Adaptability	REMOVED	The screening notes text regarding Azure ramp-up is not present in the provided resume document.
Candidate C	GenAI / LLM Deployment	<b>CONFIRMED</b>	Correctly reflects that there is no evidence of this in the resume.
Candidate C	Cloud Platform Expertise	REMOVED	The screening notes text regarding cloud certifications and hands-on experience is not present in the provided resume document.

Candidate	Criterion	Status	Note
Candidate C	Programming	REMOVED	The screening notes text regarding basic Python skills is not present in the provided resume document.
Candidate C	Certifications	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate C	Industry Experience	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate C	Project Leadership	REMOVED	The screening notes text regarding independent project leadership is not present in the provided resume document.
Candidate C	Stakeholder Management	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate C	Adaptability	REMOVED	The screening notes text regarding immediate availability is not present in the provided resume document.
Candidate D	GenAI / LLM Deployment	REMOVED	The screening notes text regarding a GenAI pilot project is not present in the provided resume document.
Candidate D	Cloud Platform Expertise	REMOVED	The screening notes text regarding Synapse, Data Factory, and SQL experience is not present in the provided resume document.
Candidate D	Programming	<b>CONFIRMED</b>	Correctly reflects that there is no evidence of this in the resume.
Candidate D	Certifications	<b>CORRECTED</b>	The screening notes text regarding the certifications is missing from the resume; however, the resume explicitly confirms they hold the Microsoft Certified: Azure Data Engineer Associate certification.
Candidate D	Industry Experience	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate D	Project Leadership	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate D	Stakeholder Management	<b>CONFIRMED</b>	Evidence matches the resume exactly.
Candidate D	Adaptability	REMOVED	The screening notes text regarding 6 weeks notice is not present in the provided resume document.

#### NOTE

Verification was performed against the original resume documents only, as per the playbook verification step. Screening-note-only entries were removed where no corresponding resume evidence was found. Two entries were corrected (Candidate B certifications, Candidate D certifications) where the original extraction misclassified Strong evidence as No Evidence.

Verification completed by the Recruiter against original candidate resumes. 13 entries removed, 2 corrected, 17 confirmed.
